

1. Travel Consulting Company

Assumptions:

1. Each team is assigned to one region at the same time. A region may be assigned to 0, 1, or more than one team.
2. Each team has one or more than one consultant assigned to it.
3. Typically, each consultant is assigned to one team. A consultant being assigned to more than one team is also possible when an additional consultant is needed.
4. Each call is made by one customer and taken by one consultant.
5. The call duration and call type are recorded for each call.

2. DVD Rental Company

Assumptions:

1. Each branch has one manager, who is one of the staff member(s) of this branch.
Each staff member is employed by one branch.
2. Each membership is registered with one branch. A customer can be registered with more than one branch at the same time.
3. Each customer cannot have more than ten DVD rentals at the same time.
4. Each DVD only contains one movie.
5. Each DVD should only have one rental at the same time.
